

DRR adds the Canadian National Championships for 2008

Hi DRR,

October 30/08

We wanted to write to you to show our appreciation for your tremendous support again this year. Your excellent customer service and parts availability kept us running strong when needed. In our Canadian CMRC Provincial racing series APEX mini's are predominate but the quality and reliability of your DRR's kept us out front. Victor and Blake, II Bros Racing, led their respective series from start to finish.

Blake won all 14 of his races on his stock 70cc DRR and Victor lead the 90cc class all season long. Truly as you say DRR is "off road domination." Both boys won their championship and DRR put them on top once again.

Thanks for your support and we look forward to next year.

Vic Morris

II Bros Racing #56 & #65
